- **Language:** English
- **ISBN-10:** 0062506838
- **ISBN-13:** 978-0062506832

We have to be VERY careful about labels. These tools can be helpful to discern ego-based behavior, but when we cross the line into 'labels' we are in dangerous territory. These tools can be particularly useful when we match up formation guides with members. Some combinations will get along better, and others not. But if we all understand this, and we all 'move toward the center' so to speak, the personality barriers tend to dissolve along with the ego.
